About Me

My name is Umut Aşlar and I am from Turkey. I was born on 16 August 1998. I graduated from Baskent University Faculty of Communication with a Bachelor's Degree in Communication Design. I am currently pursuing a Master's degree in Interdisciplinary Communication at Karabuk University. Throughout my academic journey, I have taken a variety of courses to gain expertise in areas such as communication and design. I am a punctual and dedicated artist who can work under pressure. I would like to work in areas where I can use my expertise and improve myself. I am currently employed as a Graphic Designer at Pyua Digital/Help Steps.
